**Non-Responsive Amendment**

1. Applicant's reply, filed 3/31/2006 is non-responsive.
2. Applicants state (page 9 of the response of 3/31/2006) that "*claims 59-73 are currently pending and awaiting examination on the merits*". However, the listed claims indicate that claim 73 is canceled and that claims 74-82 are new. In the event that the new claims are to be examined, the following is noted. There is no statement regarding the new claims and further there is no statement that no new matter has been added.
3. In view of the fact that this is the third preliminary amendment, and further in view of the confusion regarding which claims are to be examined, clarification is required.
4. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
